

Bletsoe Castle, rear view: 1980s

Note the double-gabled rear wing and the substantial chimneys presumably reduced in height when the top storey was removed around 1800

[*David Baker*]

Front and east side elevations showing evidence for alterations c 1800 at time of reduction from three to two storeys, 1980s

[David Baker]

Rear and east side elevations 1980s
