

Bletsoe Castle Bridge, ca 1880.

Lantern slide of Bletsoe Castle Bridge, clearly showing remains, at left-hand, of its abutment with a gatehouse. Lysons, writing of Bletsoe Castle at the beginning of the 19th century, said 'the greater part of the mansion has been long ago pulled down, what remains is converted into a farmhouse'.

EB24 (*Henman Collection, Bedford Central Library*)

BRIDGE over the MOAT.
